1. Presentation of the Tournament

Toulon's International Tournament will take place in the Palais des Sports on Saturday 3rd June from 8:00-17:30.

This is an individual's competition for girls and boys aged 11-12 (Benjamins) and 13-14 (Minimes).

National and international clubs are invited to join. Many international clubs have already confirmed their participation.

The tournament will take place in Toulon's Palais des Sports, a recently renovated complex that has already hosted the 1st Division French Championship. It is the perfect location for this type of event, having a large parking area with around 300 parking spots.

Our strong points:

- Taking place in during the summer period, the International Tournament will give participants the opportunity of discovering the South of France in its best light
- The tournament will take place in Toulon's Palais des Sports, the perfect venue for this competition
- 8 mats regulated by the FFJDA will be available to the competitors
- A qualified team of 24 referees and 16 stewards from both a regional and national level are enthusiastic about the idea of taking part in this tournament
- An organisation, run by more than 50 dedicated volunteers, that is continually looking to improve
- A qualified medical team with the experience of working in this competitive environment, having the right know-how to react in times of need
